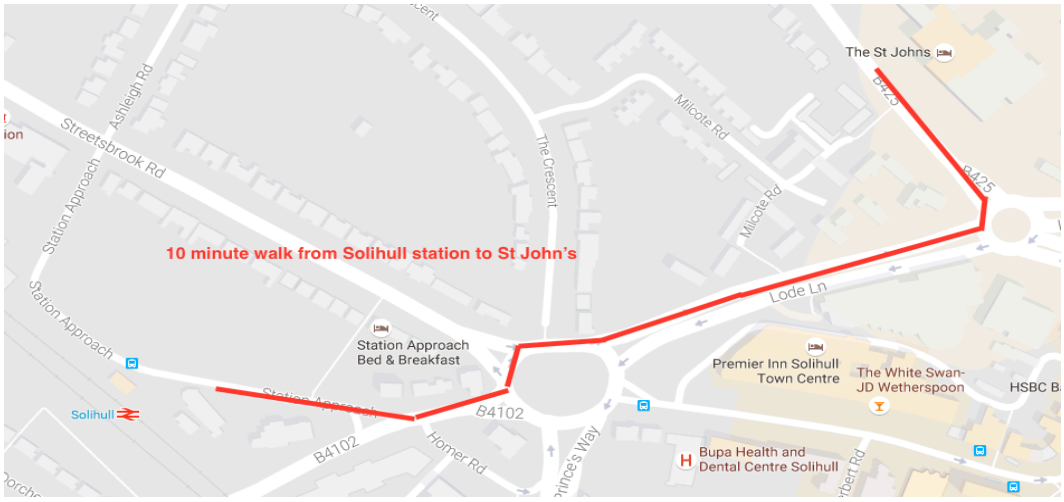
New Street has many exits. If you are unfamiliar with the station it is best to ask a member of the station staff for the exit for the Bullring shopping centre. The two walking routes shown below indicate the walk from New Street station to Moor St station via the Bullring. You will face Debenhams and a small Boots store as you exit New Street station on either of the routes below. Cross over the main road, approaching Boots and the Bullring and turn left. This will take you through the road tunnel. On the other side of the tunnel, across the road ahead of you is Moor Street station.


Solihull train station has direct trains twice an hour from London Marylebone. St John's Hotel is a 10 minute walk from Solihull station.
