

CRITERIA FOR GLYN EVANS MYCOLOGY AWARDS

The BSMM Executive Committee set up the Glyn Evans Mycology Award in 2003 to acknowledge the enormous contribution that Glyn Evans had made to the society during his career as a mycologist.

ELIGIBILITY

Applicants must be fully paid-up BSMM members, normally of at least one year's standing. Preference will be given to applicants known to have made a contribution to the Society.

TYPES OF ACTIVITY FUNDED

The Award will provide the recipient with financial support to visit another laboratory for a period of training, usually to learn a specific technique. The Award will contribute towards the costs of travel, accommodation and directly related expenses.

DOCUMENTATION

Applications should be made on BSMM Glyn Evans Mycology Award application forms.

DEADLINES FOR APPLICATION

There are no set application deadlines for Glyn Evans Awards. Applications may be submitted for consideration at any time. An award will not usually be made if the applicant has received a previous award (Travel Grant or Glyn Evans Award) less than three years before the application date.

ASSESSMENT OF GLYN EVANS AWARD APPLICATIONS

Applications will be assessed by the BSMM committee. Each application will be considered on its merits. The value of each grant will be determined by the Committee at each deadline. Funding decisions will be made within three weeks of the application where possible. However it is in the interest of the applicant to apply for the Award as far in advance as possible.

CLAIMING THE AWARD

Receipts should be sent to the Treasurer to claim the award. This may be done before the activity has taken place.

REQUIREMENTS OF GLYN EVANS AWARD RECIPIENT

The recipient must produce a report of the activity funded within 3 weeks of its completion. The report should be approximately 500 words in length, and should be submitted to the BSMM Hon. Secretary. The report may be published in the BSMM Newsletter.
