

MRC Centre for Medical Mycology (www.abdn.ac.uk/cmm)

Early Career Fellowships

We seek outstanding scientists who are keen to develop an independent research career in medical mycology. Individuals in the final year of their PhD or with up to three year's postdoctoral research experience are eligible to apply. The successful applicants will develop cutting-edge, cross-disciplinary scientific research projects in collaboration with Principal Investigators from our MRC Centre for Medical Mycology. These Fellowships cover salary for three years and come with a generous research budget. It is envisaged that these Fellowships will position successful applicants for independent funding applications in the future, such as MRC Career Development Awards.

Should you require a visa to undertake paid employment in the UK you will be required to fulfil the minimum point's criteria to be granted a Certificate of Sponsorship and Tier 2 visa. As appropriate, at the time an offer of appointment is made you will be asked to demonstrate that you fulfil the criteria in respect of financial maintenance and competency in English. Please do not hesitate to contact Natalie Reid, HR Adviser, (n.reid@abdn.ac.uk) for further information on this.
